Sierah Joughin Memorial Scholarship for Evergreen High School

Program Information

The Sierah Joughin Memorial Scholarship for Evergreen High School was established by Sierah's family to honor her memory. Sierah was a 2014 graduate from Evergreen High School who played varsity volleyball, was a member of National Honors Society, and participated in school plays and groups. Education was also very important to Sierah as she continued her studies at the University of Toledo upon her high school graduation. This scholarship will go to students who understand that school and community involvement as well as education is important to not only further their studies beyond high school, but also those who want to make the world a better place. This scholarship is available for graduating high school seniors at Evergreen High School who have earned a varsity letter in at least one sport, are involved in at least one school organization, and pursuing a full-time undergraduate degree at an accredited four-year post-secondary institution.
