Sierah Joughin Volleyball Scholarship for Fulton County Schools

Program Information

The Sierah Joughin Volleyball Scholarship for Fulton County Schools was established by Sierah's family to honor her memory. Sierah was a 2014 graduate from Evergreen High School whose love for the sport of volleyball began at the young age of 10. Volleyball clinics turned into club volleyball leagues and eventually led her to play volleyball for Evergreen. Sierah's passion for the sport was more than representing a school; it was being a part of something that was bigger than just her. Volleyball taught her how to respect others, be dependable, follow instructions, and be a leader. This scholarship will be awarded to a student who also has a love for volleyball and shares Sierah's legacy of being a team player and leader beyond volleyball. This scholarship is available for graduating high school seniors at Fulton County high schools who have earned a varsity letter in volleyball and are pursuing a full-time undergraduate degree at an accredited four-year post-secondary institution. This scholarship is a one-time, non-renewable award.
